The University of Pittsburgh Simmons Center of Interstitial Lung Disease at UPMC
Room BST S100, First Floor, Biomedical Science Tower
255 Lothrop Street, Pittsburgh, PA 15213

Our mission is to stop sarcoidosis — join us.

Learn from sarcoidosis experts, ask questions, meet other patients, and hear how you can speed up research at this event. **Registration is $10 and includes conference materials, refreshments, and lunch.** Parking is available in UPMC Presbyterian at 255 Lothrop Street. Take the elevator to the first floor to get to room BST S100. This event is presented by the Foundation for Sarcoidosis Research and the University of Pittsburgh Dorothy P. & Richard P. Simmons Center for Interstitial Lung Disease:

The Foundation for Sarcoidosis Research is the nation's leading nonprofit organization dedicated to finding a cure for this disease and to improving care for sarcoidosis patients. Since its establishment in 2000, FSR has fostered over $4 million in international research efforts and worked diligently to provide resources to thousands of patients and clinicians.

The University of Pittsburgh Dorothy P. & Richard P. Simmons Center for Interstitial Lung Disease at UPMC provides a high standard of care for patients living with interstitial lung diseases (ILDs) with specialists whose complementary skills provide a personalized care experience for each patient. This combination of specialized care, research excellence, and patient support exemplify the care provided at UPMC.
