

May 2019

On behalf of the University of Pittsburgh's Department of Medicine and course directors, we invite your organization to participate as an Exhibitor or Sponsor of the 2019 Update in Internal Medicine course on **October 10–11, 2019** at the Marriott Pittsburgh City Center Hotel in Downtown, Pittsburgh. Information regarding the various sponsorship opportunities is outlined below.

Additional information is located on our Department of Medicine website at www.dom.pitt.edu/UIM.

The course is a comprehensive update on major advancements in internal medicine as well as a review of various medical and surgical-related topics impacting daily practice. Participants receive updates on disease perspectives that can affect their specialty practice activities. Emphasis is placed on evidence-based approaches to practical and innovative health care delivery, including care pathways that focus on key elements in the diagnosis and management of various diseases.

The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (CME) and designates AMA PRA Category 1 credit(s) commensurate with the extent of the physicians' course participation. Participants receive Maintenance of Certification points equivalent to the amount of CME credits claimed for the activity as outlined by the American Board of Internal Medicine's (ABIM). Other healthcare professionals are awarded continuing education units based on contact hours. We will provide a breakdown of pharmacotherapeutic contact hours for nurse practitioners. For physician assistants, UPMC has been authorized by the American Academy of PAs (AAPA) to designate AAPA Category 1 credits for activities designed primarily for its own learners and other learners within its network. Each year, applications are submitted to the American Academy of Family Physicians for CME credit and to the American Osteopathic Association for Category 2–A credit.

Thank you in advance for your consideration. To confirm your support, please complete the Exhibitor and Sponsorship Agreement form located at www.dom.pitt.edu/UIM/Form. The signed Exhibitor and Sponsorship Agreement form needs to be received no later than September 4, 2019. Please contact our project manager, Jimette Gilmartin, at domuim@pitt.edu, or via phone at 412–586–9511 with any questions or concerns.

Best regards,
